QUALITY GARDEN BUILDINGS

# *The Haven Range*

*The Haven Range* is a completely new range of pressure treated open sided garden buildings.

Handmade at our joinery shop in Worcestershire, the Haven Range is manufactured from carefully selected and seasoned Scandinavian Redwood. All timber used in the manufacture of these buildings has been pressure treated giving your building a 10 year guarantee against rot, decay and insect attack.

## *The Astley*

The classic design of the six sided Astley and Kinver with their distinctive styled roof and floor, make them an attractive addition to any garden.

Optional pressure treated bench seats are available with The Astley and The Kinver.

## The Hanbury

The extensive range of sizes make the Hanbury a very popular and adaptable building, lending itself to many uses, from wining and dining to soaking in a steaming hot tub on those long summer evenings!

The Hanbury comes with a pressure treated 22mm fitted decked floor as standard. An attractive balustrade is fitted around the perimeter of the building, with the choice of a front or side entrance.

The Hanbury is covered with a 'hipped' style pressure treated slatted timber roof.

### The Hanbury

| Size      | Pressure treated redwood | Installation |
|-----------|--------------------------|--------------|
| 10' x 8'  | £ 2750                   | £ 240        |
